Student Name: Isaac Alejandro

Assignment: Robotics

Notes: castillos

Playground: Castle Crasher

Project Name: Me - Robotics#3

Project Type: Blocks

Date: Wed Feb 08 2023

```
when started
set drive velocity to (100) %
set turn velocity to (100) %
forever
    drive forward
    if < DownEye detects red ? > then
        drive reverse for (50) mm ▶
        turn right for (120) degrees ▶
```

```
[        ] [    ]        100
    [        ]   50   [    ]
        [      ]        90        150
```

```
when started

set drive velocity to (100) %

set turn velocity to (100) %

forever
    drive [forward]
    if < DownEye detects [red] ? > then
        drive [reverse] for (50) mm ▶
        turn [right] for (120) degrees ▶
```
